Church Board Meeting

Mon, Sep 21, 6:30 p.m.

While sitting down to write this little epistle, I've been distracted by my cell phone. I received a text informing me of a tragedy.

When I lived in Bozeman MT, my neighbor asked me if I could get special permission for Tom to play basket ball for MSU on Sabbath because he was such a outstanding player. I explained that it isn't a matter of getting the churches permission, but a matter of his personal convictions and his relationship with God. The University actually worked their schedule around Tom the best they could.

I'm reminded of a statement in the book Education page 57. "The greatest want of the world is the want of men – men who will not be bought or sold....men who will stand for the right though the heavens fall."

What I learned from my cell phone text is that Tom who joined his family's business, lost his life in a helicopter accident fighting fire.

Our homes must be the first place our kids develop strong convictions together with the church and school.

I'm certain Tom would have said his Adventist Christian education was a strong factor in helping develop his strong commitment to God.

Speaking of Church School, our Principal/Teacher, Melody Osborne reports, "Up until August 24 there were five students registered for school. I set out seven student desks because it looked better. Come the evening of August 24 I had seven students. Maybe I'll set out more desks! School starts August 31 for in-person learning. Thank you all for your prayers and support."

God Bless

Outreach

The Monday Night Bread of Life dinner in the Fellowship Hall has been modified to provide a sack lunch with bottled water to those in need in our community.

Community Service is distributing cleaning products and personal care items. Your much needed donations of personal hygiene products can be left in the basket in the back foyer.
